NAAC TEAM VISIT

The National Assessment and Accreditation Council (NAAC) peer team of 3 members led by Professor M. Gangadhar Rao, former vice-chancellor, Gitam University, Visakhapatnam, had visited the college from August 30 to 31 2018 and inspected various departments, library and campus facilities.

The team also visited the establishment, accounts, audit, registration, examination and other sections of the college and spoke to officials. The team inspected all the wings of the college and held discussions with all the stakeholders. The team members assessed the college and its various wings on several counts, including curricular aspect, teaching-learning and evaluation, research, infrastructure and learning resources, student support and progress, governance, leadership and management.

ACTIVITIES

National Service Scheme(NSS)

Aims of NSS : National Service Scheme aims to instill the feeling of the welfare of the society among students through voluntary participation. The programme infuses among them the understanding of the community and also enables them to understand their position as an individual in the community in which they work. This two-way process of understanding develops a social and civic responsibility that ultimately inspires them to act as responsible citizens and to come out as better human beings. Under the aegis of this programme, students participate in various activities of social welfare and in the process, they not only enhance their leadership qualities, team spirit and group-living capabilities but also develop the skills to participate actively in emergencies, in natural calamities and disasters. These activities further inspire them to learn the dignity in manual labour. The vision of the NSS is to outreach the underprivileged and the marginalized section of the society and to work for their upliftment through students. Even the motto of NSS 'NOT ME BUT YOU' reflects and signifies the selfless and untiring service towards the community. Breaking all social and economic barriers of discrimination it upholds the democratic approach of equality. NSS helps in inculcating the feeling of appreciation and consideration of other persons point of view among the students. NSS has proven to be a potent tool in bridging the gap between 'Knowledge and Action' and 'College and Community'. The programmes like National Service Scheme have become essential for the idea of a better society. Both stakeholders, the students as well as the society, reap benefits from this practice.

Swachh Bharat Summer Camp

As per the guidelines of Human Resources Development Ministry, the students of the college participated in the summer camp organized in the village Attargarh under Swachh Bharat campaign. They planted trees, cleaned the community places, organized rallies, played Nukkar Natak and went door-to-door to aware the villagers how to keep their surroundings clean and hygienic. They also wrote slogans and painted pictures on the walls related to cleanliness drive.
