# **Career Guidance Cell**

## **Report 2021-2022**

### **Guidance and Advice**

Keeping in view Students Focused Approach, the Cell provides career as well as psychological counseling to students. The cell nurtures students through different activities and allows students to cross hurdles in the academic year thereby marching smoothly towards success. The Guidance cell of the college begins with a significant role from admissions days by rendering valuable career guidance to students to help them to choose the right subject combinations in conjunction with their aptitude and attitude. In order to decide which stream and course to decide after their board classes, Career Guidance Cell of S.D. College, Barnala conducted career counselling sessions followed by Mental Ability Test/ Mock Test etc. to identify their talents and choose career lines accordingly.

Throughout the year, career counseling programs are carried as when the students' needs any guidance from Career Guidance Cell. During admission days, the Career Guidance Cell team remained active to help the needy students in the selection of their courses.

**Mental Ability Test Organized by Career Guidance Cell of College**

Guidance cell is empowering students to discover, develop and apply their unique talents to achieve their greatest career potential and also putting efforts to impart students the knowledge of self, career options and resources. The students after graduation seek admissions to other universities and courses based on entrance examinations. Keeping in view of this, the Cell conducted **Mental ability Test** for final year UG students for Higher Education on **21 March 2022**. About **45 final years students** from various streams participated in this test and three Students were awarded for their best performance.
