Career Guidance Cell Report

Session 2022-2023

Career guidance plays a pivotal role in shaping the future growth and development of students. Career guidance is much needed service to those who did not plan for their future at an early stage; more should be done to assist the younger generations in personal career development. In today's environment of multiple options, knowing about choices available helps children in their decision-making process. The Career Guidance Cell of the college operates throughout the year by organizing different Programs, Counselling Sessions, Lectures by eminent speakers, Career based Mock Test and Events. At the time of the admission, it provides guidance to the fresh comers as to which stream of study is suitable for them keeping in view their interests and aptitude. In order to decide which stream and course to decide after their board classes, Career Guidance Cell of S.D. College, Barnala conducted a career counselling programme from 27 June 2023 to 30 June 2023. The session aimed at making the students aware of the multiple career options available. The sessions were informative and enriching for students as well as parents. Total **46** students participated in these sessions.
