Subject:- Request for early rechecking of paper of Abstract Algebra of B.Sc. III Non Medical Semester V.

Respected Sir,

With due respect, I want to state that the result of 5th semester was declared on 26th June, 2023 in which majority of our students got zero, one, two or much less marks against their expectation in the paper-1 (Abstract Algebra) of Mathematics. Some of these students have obtained more than 90% marks in Paper-II and Paper-III of Mathematics, it means there was something wrong in the marking/uploading of marks of Paper-I of Mathematics.

Keeping in view the future of students, kindly look into the matter at the earliest so that the result of this paper may get rectified and students may be able to get admissions in higher classes like B.Ed., M.Sc. etc otherwise one year of these students will be wasted for no fault of them.

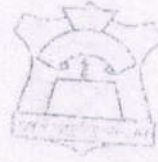

Thanking you,

Your's faithfully,
