Interesting

Number of lectures should be pre-decided for a topic because sometimes one topic takes much time than needed and less time left for another one.

All right

Syllabus is very good. Thank you.

Every subject topic is deeply explained.

Syllabus is very relevant according to our course and we hope that it will be useful for the journalism field.

Good teacher, hard working, all teachers.

Teachers provide time to time notes ready for use.

Regular tests help to learn the syllabus properly.

Syllabus is always completed on time and it's easy to read the syllabus because teachers are very hardworking.

Actually, the syllabus needs some changes and some teachers need to be punctual, not only in college but in class also.

Like in semester 4, we study statistics and I think it doesn't work in the future, so the syllabus must be relevant that helps the students in their future work. In lab, we will find mode, median, probability, correlation, ANOVA test, T test. That has no work. Instead of this kind of subject, we can learn about business management.

Best way to improve the syllabus with more and more labs.

Some group discussions must be organized by the college and more co-curriculum activities should take place on campus.

All good 👍

Study is very important for students and my syllabus is very good. It improves our skills and increases the knowledge.

More focus on practical knowledge.

Syllabus is very knowledgeable.

Relevant for us.

Teachers always complete there every kind of responsibility on time with the completion of the syllabus

Syllabus should be more inclined towards developing analytical thinking instead of providing factual knowledge only

Pleeee take proper claases at a time

Prof... Jagjeet sir... Ohna na syllabus toh alawa moral values da vi bhut vadia gyaan ditta

I am satisfied.

Every thing is OK.

Always good

Syllabus is well and good

Good education

Very good 👍

Syllabus was not too complex

Syllabus was completed at time

It is very easy.

This much syllabus is sufficient for the students. It is neither too much nor too less. ☺ But the syllabus for qualifying subjects is not defined well in the syllabus PDF.

JMC da syllabus boht vadiya hoye te boht chngi tran smj v aya

Please provide more teacher's according to subject because one teacher not able to teach properly

Very good

Very good experience

Punjabi syllabus should be improved

We have to complete the syllabus in such a method that must memorize it easily. Moreover we have to explain it with practically and plenty of examples.

Teachers always support us

ਵਿਦਿਆਰਥੀ ਦੀ ਪੜ੍ਹਾਈ ਨੂੰ ਆਸਾਨ ਬਣਾਉਣ ਦੇ ਢੰਗ ਅਪਣਾਉਣੇ ਚਾਹੀਦੇ ਹਨ

All is excellent 👍

Punjabi is my favorite subject

Should be relevant which fulfill the students career and personal goals.

Great experience

Nothing special. Everything going well.

Good teacher

nothing

Syllabus is too good for my study which I prepare regular and get good marks

This coursh is very interested

Nothing.

C Programming language is easy

All subjects are interesting and teachers are very good

Rdbms

In this semester 4th our practical in labs are not that good.

Always good

It is good

Too much syllabus, syllabus should be reduced by University.

Syllabus is too vast. It must be reduced.

Complete syllabus

unnecessary syllabus should be deducted from the syllabus because there are many topics on syllabus which are not good enough and there are many good topics in various subjects which are not added yet

Topic can be discusses in brief .

Everything is good.

Our syllabus is completed before the exams

No need any suggestions

fine syllabus help us to get much knowledge

Complete syllabus earlier onward exam

Syllabus of math very long so plz short the math Syllabus

aanchalsingla88@gmail.com

Decrease the load/amount of syllabus in almost every subject. The syllabus is vast in every semester for every subject due to which it cant be completed on time and we cant even get better understanding of topic. The content is just learned/ crammed to just pass the exam.

I teacher are hardworking.and provide true knowledge and fully focus on our syllabus

Outstanding

EXCELLENT COVERAGE

There should be a less syllabus.Due to this, it is easier to learn and understand the topics very well without any tension of syllabus.

Everything is perfect

Overall excellent performance

There is no any practical exercise and no project given to students

Yes..In our SEM 4 we studied one math book number theory .The syllabus earlier was studied by MSc students but we studied in BSc 2nd year that was very difficult. and also one book of math which we studied in 3rd sem., was mechanics and earlier that book was studied in two parts .i.e. in two semesters but we studied both the parts in one sem only..so please pay attention towards math's syllabus specially

Teachers can improve ourself time to time.

Discipline

No

Ok

Everything is good

According to me everything is perfect

Cannot say

No suggestion, thanks

Improvement in overall infrastructure of the college... Classes to be digitalised..

excellent

Test

Do improvement in our studies

Teachers should take presentation from students and give them assignments not same to everyone but different and also make last day of week or month memorable 😊😊😊

Improve the sports club

Some boys are teasing girls

Plz control them

Mostly those boys are outsiders

That is the big problem in college campus

To increase more study

Sometime outsider came in the college that is wrong

Give examples and do more practical work

Everything is ok.

All teacher staff good and hardworking

Bacheya nu clg aun lyi vaddh to vadh parirt kitaa jave ta jo oh kise v Tara di class miss na krn te ohna da kise v tra da nuksan na hove

Class test and revision start from teacher in a month or in 15 days

Sd college is good for education

Teachers always appreciate the students to take part in different activities

Mera suggestion ye hai ke hmare college bhut sare bacho ke pass kuch khass hunar hai .and teachers un hunar ko pehchaan kr unhe promote kre to ise na sirf bache ki bt college ka v fayada hai

Need improvement in acedemics and their material

Tell some affordable knowledge to student's which helps in future of students.

I wish that college should have something for the students who want to be the public speakers in any aspects like some inter debates

No one

Maintain safety

Proper Check All The Students I d Card And CleanThe Classroom Benches ||

Good reaching

After completing every chapter make it compulsory for students to write questions

Help students maintain focus

Over all best college

Infrastructure should be developed.

Extra class

Everything is OK.

Average Study

Places should not be given towards the library in the middle of the college, it should be made bigger so that children can go there and study.

Jobs fair

Take test regularly

Student should be present everyday in college

Good facilities

Topic related videos are very useful

The administrative staff is sometime rude and non cooperative with students specially the staff members sitting backward

Sometime they didnt respond to students queries

Sometime they told students to wait unconditionally or deliberately

Even the administrative staff sitting for fee collection is very rude too

They need to be enough capable to understand that how to behave with a new or a regular old student and provide perfect instructions regarding fee.

College can provide more knowledge about social issues and how to tackle the problems along with study so that they can learn more things like cooperation, team spirit, honesty ets. instead of study only.

College should provide extra coaching for competition exam.

Disciple is needed for our college environment.

Books should be available for students.

PowerPoint presentations should be given to the students by the teachers on the regular basis on the subject matter, so that, they can learn more effectively and can enhance their self

confidence. 😊

Please do well in college

Games

All done

Fee management is not good vice principal is very rude do not help student time of fee applications approval I am not satisfied

Every class should be regular

Nothing to say. Everything is excellent..

In my opinion all the things are well maintained

Provide da short notes

All is well maintained in my opinion

college is good and teacher taught brilliant

Concentrate on study and participate in other activities

ਜਰਨਲ ਕੈਟਾਗਰੀਜ਼ ਦੇ ਵਿਦਿਆਰਥੀਆਂ ਨੂੰ ਵੀ ਵਜ਼ੀਫਾ ਪ੍ਰਦਾਨ ਕਰਨਾ ਚਾਹੀਦਾ ਹੈ ਕਿਉਂਕਿ ਜਾਤ ਦਾ ਮਤਲਬ ਇਹ ਨਹੀਂ ਕਿ ਉਹ ਜਾਤ ਦੇ ਮੁਤਾਬਿਕ ਅਮੀਰ ਹੋਣ

ਬਹੁਤ ਵਾਰ ਤਾਂ ਪਿਛੜੀਆਂ ਜਾਤੀਆਂ ਵਿੱਚ ਵੀ ਬਹੁਤ ਵਿਦਿਆਰਥੀ ਅਮੀਰ ਹੁੰਦੇ ਹਨ

ਜਿਸ ਕਰਕੇ ਜਰਨਲ ਕੈਟਾਗਰੀਜ਼ ਦੇ ਉੱਤੇ ਵੀ ਧਿਆਨ ਦਿੱਤਾ ਜਾਵੇ ਤਾਂ ਜੋ ਉਹਨਾਂ ਨੂੰ ਵੀ ਸਮੇਂ ਸਿਰ ਸਹੂਲਤਾਂ ਮਿਲ ਸਕਣ।

Never give up

According to me , everything is good and fine because teachers are very cooperative nd loyal with students and they can share any thing easily with them. Thanku

Good teaching

Should improve the education system

No. Overall is a good experience.

Need Fees concession for poor students

nothing ..

For all students provide discussion room

Coulchar activities and practical study

Everything is perfect in college.

Need a Home work by The teachers in Daily routine, Practice them all works done by teachers

All things are very good in college premises

Career guidance should be provided by teachers to students.

ਪ੍ਰੋਗਰਾਮ ਕਰਵਾਏ ਜਾਣ

Dusting and colouring

i think college needs more books of literature in library.

ਅੱਜ ਮੈਂ ਮਹਿਸੂਸ ਕੀਤਾ ਕਿ ਆਪਣਾ SD ਕਾਲਜ ਇੰਨਾ ਕੁ ਜ਼ਿਆਦਾ ਸਾਫ਼ ਹੈ ਕਿ ਬੱਚਿਆਂ ਨੂੰ ਤਾਂ ਕਾਲਜ ਦੀਆਂ ਕਲਾਸਾਂ ਵਿੱਚ ਜਾਲੇ ਲੱਗੇ ਹੀ ਨਹੀਂ ਦਿਖਾਈ ਦੇ ਰਹੇ ਅਤੇ ਦੀਵਾਰ ਤੇ ਮਿੱਟੀ ਵੀ ਨਹੀਂ ਦਿਖਾਈ ਦੇ ਰਹੀ। ਇੰਨੀਆਂ ਵੀ ਜ਼ਿਆਦਾ ਨਹੀਂ ਸਾਫ਼ ਕਰੀ ਦਾ ਕਿ ਕਲਾਸਾਂ ਨੂੰ ਕੇ ਸਟਾਫ਼ ਰੂਮ ਨੂੰ ਭੁੱਲ ਜਾਓ।

Sd college is very good

Library books related to other civil exam

Every student should be panchual.

Less fees

Practical and thuary topics need to be improve.

Thank you

Lose of professors

All are already good

1. Enhance parking

ਵਿਦਿਆਰਥੀਆਂ ਨੂੰ ਵੱਧ ਤੋਂ ਵੱਧ ਪ੍ਰਤੀਯੋਗਤਾਵਾਂ ਵਿੱਚ ਹਿੱਸਾ ਲੈਣ ਲਈ ਪ੍ਰੇਰਿਤ ਕੀਤਾ ਜਾਵੇ।

Good study materials and extra activities

Teachers gives the guidelines for the students because it's most beneficial.

all fine

## Give your views about NEP 2020

47 responses

Good

NEP 2020 requires some changes

While NEP 2020 signals a wave of reforms, only time will tell how it will reflect practically in the Indian education sector. The emphasis on Foundational Learning and Numeracy (FLN) will help children develop the love for learning, pique their curiosity and make the learning process fun.

Well designed structure of education but needs some more changes also

It was framed well... an inclusive policy but has not been able to attain the goals.

Empowers students through flexibility in course choices, new curricular structure

Students will have much more access to various intersections of courses and can go for two courses simultaneously.

The best college of our area

There are several problems about NEP 2020..the policy is not in the favor of higher education.

It is very relevant regarding future of the students

It's really relevant to the future of our new generation

NEP 2020 will be to promote and create an environment where students can think with a creative, critical, logical, and innovative mindset

Average

The multidisciplinary curriculum can be beneficial to the students. Its focus on skill development and employability can lessen the migration of youth to foreign countries.

If it is implemented properly, it can bring good results for the youth. The multidisciplinary approach of the policy can be beneficial for the students.

Education policy should be job oriented for that vocational courses and practical approach should be avail

this policy helps the students to make education accessible to everyone

It's good that professional education will be an integral part of higher education

NEP 2020 is very relevant to the scenerio at global level.As our country is also proceeding to be a developed country so we should also have such flexibility in our policy that a student can choose stream for higher study which is not studied earlier. But it shouldn't be without any basic knowledge that a student need to study further.

Encourage the use of different teaching methods. It reform the education system.

NEP is beneficial to the students it prvide freedom to the students to opt carriers based courses.

It is good as students can choose subjects of their liking from among all the streams, they can do two programs at a time, they can continue the same program even after gap of 3-4 years

NEP 2020 -Vocational Education Restructuring school curriculum and pedagogy in a new 5+3+3+4 design.

Good

NEP 2020 emphasizes on skill development and multidisciplinary education so it aims to enhance employment opportunities. It will bring fundamental changes in present education system.

It's provides a new methods of teaching

Good transformations.

It support skill development courses.

It's good

Of course it enhances skill development courses which inturn reduces unemployment and also multidisciplinary courses are good

multidisciplinary approach

Very good

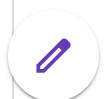

Infrastructure facilities should b considered before executing NEP

All is well

Yes it is good.

NA

It provided bew method of teaching

It provided new method of teaching

Hope it will help students for bright future

Student friendly

Excellent

—

It will be very beneficial to the students
