Blood donation Camp Session 2018-19

A blood donation camp was organized by the NSS wing in collaboration with HDFC Bank and Zilla Sanjh Kendra Barnala on 1-12-2018. DSP Dr. B. K. Singla presided over the camp as Chief Guest. Dr. Singla shared in detail about the misconceptions about blood donation and also made volunteers aware about its importance. He told that donating blood does not cause any kind of weakness, rather also made the body protected from many terrible diseases. College Principal Dr. Rama Sharma welcomed the guests and appealed to the volunteers to donate blood.

S. D. College Educational Institutions director Mr. Hardyal Singh Attri encouraged the students and told them blood donors are no less than angels because they save many lives. Apart from students and many teachers of the college, Dr Singla also donated blood. More than 120 units of blood were collected during the blood donation camp. College Management Committee General Secretary Mr. Jatinder Nath Sharma also encouraged the blood donors and appreciated this initiative of the NSS wing.

In charge of District Sanjh Center. Rajpal Singh Bajwa , NSS Coordinator Prof. Nirmal Gupta and programme officers Prof. Kulbhushan Rana, Prof. Ritu Aggarwal, Prof. Baltej Singh, Prof. Anamika Bhardwaj and Prof. Jasbir Singh made a special contribution in conducting this camp.

Environment awareness rally

Stubble Burning

Session 2018-19

N.S.S wing celebrating Golden Jubilee year of College sought to create awareness regarding Stubble burning with the support of Punjab Pollution Control Board Patiala and under guidance of coordinator Prof. Nirmal Gupta, Prof. Ritu Aggarwal, Prof. Kulbhushan Rana, Prof. Baltej Singh, Prof. Anamika Bhardwaj, Prof. Jasbir Singh, Prof. Jagjit Singh. 100 volunteers went to the villages of Bhathal, Harigarh, Dhanula, Jawandha Pindi, Bhaini Jassa, Farwahi, Dangarh, Upali, Manapindi on 22-10-2018 to 27-10-2018 and made the farmers aware and also heard their problems that if the machines are provided by government then why would they burn straw that otherwise could generate them income. Instead, they are ready to plant other crops if they are paid adequate cost of other crops. While talking to the students, the farmers also told that they themselves are also troubled by the pollution but the government should give a proper solution to this problem.

Career Guidance Cell

Cell Aim and Purpose

As per the UGC guidelines our institute has established Career Guidance Cell with the purpose to make students perform better. A Career Counselling Guidance is working towards organising interactive sessions from time to time on the issue of upcoming career options. The Cell intends to help the students to establish a linkage with the world of work and local career opportunities in the highly competitive professional domain. The main objective of the cell is to offer career counselling to students and guide the young minds by helping them to understand their strength. The Cell holds sessions for getting training for guiding the students for competitive examinations, basic communication skills, interview skills, aptitude test training etc. The students are also provided counselling to explore their potentialities and motivate them about their employment.

Career Guidance Cell of the institute is operative with Assist. Professor Mr. Satpal Singh as its coordinator and three more members. The cell has the objective to unfold the career opportunities of the students and instil confidence in them for the challenging professional world.

Activity Report Career Guidance Cell 2019 – 2020

In the beginning of the new session, the Career Guidance Cell of the College conducted a career counselling programme for the students of different streams about their career options as well as guide them for further studies during the month of July 2019. The main purpose of the programme was to create awareness among the students about various courses and career opportunities after 10+2, Graduation and Post-Graduation levels. In fact, it was a student-centered support service programme to help them resolve their queries related to career options. The counselling sessions were conducted by the teaching faculty of different departments. The counsellors Assistant Professor Mr. Satpal Singh, Mrs. Amandeep Kaur and Mrs. Priyanka Baghla made sure that every student had their queries answered. The counsellors listened to each student attentively and guided them to deal their problems related to their career regarding getting higher education abroad, applying for suitable jobs, going for vocational courses or career oriented courses. The student's aptitude and abilities were evaluated individually and were advised accordingly. Around 230 students took the benefit of this programme. Some of the parents of the wards approached the counsellors for exchange of views and advice. Tele-counselling or e-counselling was also provided.

Guest Lecture of Life Skill

One more programme was conducted by the counsellors of the cell for the benefit of the students. On 25th Feb. 2020, a guest lecture on the theme of 'Life Skills' was organised to enable the students to identify the areas of their choice. The key speaker Professor Mrs. Priyanka Baghla emphasized on the necessities of acquiring soft skills for the competency in the professional world. She also spoke on the career prospects and provided the students necessary guidance how they can improve their life skills and become confident in the forthcoming life. The impact of this programme on the students was writ large on their faces. After the lecture was over, the students got their queries satisfied. This programme proved a boon for the students and they requested the authorities to conduct such programmes frequently. Around 100 students took the benefit of this programme.

**Environmental awareness rally
On Stubble Burning
Session 2019-20**

An environmental awareness rally was organized by N.S.S wing of College on 7-10-2019 to 10-10-2019 . During the rally, the program officers and volunteers went to many villages near the city and made them aware about the increasing pollution due to stubble burning. About 100 volunteers of the department went to Pharwahi, Kattu, Dangarh and Upali villages and tried to tell the farmers how important it is to save the environment. They were made aware about the diseases caused by straw smoke. The farmers listened carefully to the volunteers and promised not to burn the stubble. The college Principal Dr. Rama Sharma flagged off the rally. The rally was led by N. S. S Coordinator Dr. Jagtar Virk, Program Officer. Kulbhushan Rana, Prof, Ritu Aggarwal, Dr. Baltej Singh and Prof. Jasbir Singh.

Communication skills enhancement Program

Communication is a core skill essential for the placement. So the thrust of the placement cell is also to improve the communication skills of the students be it oral or written skills. An online one month program from 1st November to 30th November was organized for the students to give them effective communication skill training to meet English language learning needs, be a desire to learn or improve English for competitive examination preparation, job interview, preparation or for spoken purpose. Prof. Nirmal Gupta Training and Placement Officer conducted this program in which along with spoken English practice she also focused on how to write professional e-mails in English and how to draft reports. She also conducted practical sessions like mock interviews for job interview training. She also laid stress on how to pronounce words correctly. 60 students participated in this program with interest and dedication.

Two day lecture on Yoga

NSS department of S.D.College organized a two day lecture on 16th and 17th May 2022 in collaboration with 'Art of Living' organization. Ms. Sumandeep and Mr. Abhey from 'Art of Living' along with NSS program officers interacted with students from different classes. The motive of the lecture was to enlighten students how to train themselves during stress of exams and in other situations of life especially when they have encountered horrendous time during pandemic Covid. In a colloquial manner they explained them that how the stressful conditions take a toll on their mental and physical health and as a result their output is affected which further leaves a negative impact on their life. Very effectively they convinced the students that yoga can be a fruitful practice during such times and how practices like deep breathing can help them in coping with stress of exams. The lecture was organized in keeping in view the need of the time as to how to keep oneself uplifted even while facing low tides of life. Around 60 students from various classes and streams were catered and were made aware regarding the benefits of yoga. Principal Dr. Rama Sharma praised and thanked the 'Art of Living' team for serving the humanity selflessly and also appealed the students to make yoga an integral part of their daily life.

Three Day Workshop on Yoga

On 18th 19th and 20th May 2022 NSS department of S.D.College organised a three day yoga workshop in college premises. The workshop was held in collaboration with local unit of 'Art of Living' organization. This was the first offline yoga workshop after pandemic Covid and therefore students participated with enthusiasm. The purpose of the event was to teach students, faculty members and volunteers basic yoga asanas and pranayams to keep themselves fit. After beginning with narrating the advantages of yoga in daily life **Mr. Abhey started day one by teaching with very basic yogaasanas**. Day two and day three students were taught suryanamaskar along with other asanas and pranayams. Every day yoga session went for two hours. The best part of the workshop was students were taught how to spend time with themselves through meditation. He told them how meditation helps in enhancing their focus and attention. Around **70 volunteers and faculty members participated in the workshop** enthusiastically. Valedictory day ended with a promise from all attendees to do yoga religiously. Principal Dr. Rama Sharma congratulated NSS department for organizing such constructive workshops and wished for a healthy future.

International Yoga Day

NSS department of S.D.College celebrated **International Yoga Day** in college campus **on 21st June 2022** under the able guidance of principal Dr. Rama Sharma. **Mr. Krishan Partap** from the organization 'Art of Living' instructed students and everyone present for yogaasanas and **Pranayams**. He created a very genial atmosphere and made yoga easy even for those who were doing it for the first time. He taught some basic yoga asanas and breathing techniques like KapalBhati, Taraasana, Bhramari, cat-cow posture etc. Besides that he also guided everyone how to control breathing. He made aware that it is utmost necessary to keep oneself healthy to encounter dangerous diseases and even for a healthy routine brain can be trained to be balanced through simple yoga techniques. **Around 250 people** joined this session. **Students from various schools, teaching faculty from all five institutions of S.D.**

Educational Institutions, Punjab Police personals, NSS volunteers and citizens participated in the event and took benefit. The motive of the celebration was to promote awareness regarding

healthy life by adopting our centuries old traditions like yoga and meditation. Principal Dr. Rama Sharma alongwith NSS coordinator MS. Reetu Aggarwal and other program officers Mr. Jagjit Singh, Mr.Harpreet Sethi, Ms. Renu Dharni, Ms. Jaspreet Kaur and Mr. Balwinder Singh and sports incharge Dr. Bahadur Singh thanked Mr. Joshi and felicitated him with a memento for sparing his valuable time fo the service of humanity.

Rally regarding stubble burning awareness

On 2nd November 2021 NSS department took out a rally in the villages Pharwahi and Rajgarh against stubble burning. Around 80 volunteers went door to door to make farmers aware about the hazards caused by stubble burning. Volunteers addressed the farmers in groups and told them that how stubble burning has become a major threat to our environment causing serious health problems. Volunteers told them that how this problem causes a hindrance in leading normal life. They also threw light on the fact that stubble burning is leading to depletion of healthy nutrients in soil. Not only they addressed the farmers but took out a rally also in the villages. Volunteers also listened to the problems faced by the farmers and promised to write about their problems. Rally strengthened the bond between younger and modern generation with older generation.

Three Days Workshop
on
“Projects making based on Electronics and Electrical Circuits”

Department of Physics, S. D. College, Barnala organised three days workshop on “Projects making based on Electronics and Electrical Circuits” under DBT star college Scheme from 23-2-2023 to 25-2-2023. Resource person of this workshop was Mr. Sukhvinder Singh, Coordinator, N. I. E. R. T, Patiala. This workshop consists of total 6 sections. First session of each day was theory session followed by practical session pertaining to implementation of that theory in making projects. In this workshop 49 students of B.Sc. NM (I, II and III) took part and enhanced their knowledge about the working of various electronics and electrical components like Resistor, Capacitor, LED, transformer, LDR, MOSFET, VDR, Relay, Speaker, buzzer, Preset, Diodes, transistor etc. by making electronics based working projects prepared under the guidance of resource person. On the first day, students of first year B.Sc. NM have designed the Electric bell circuit and also understand the concept behind rectification. Miss. Sandeep Kaur of B.SC-I(Non Med.) was selected as best performer in making and demonstrating the project. On the second day, students of B.Sc. NM-II participated and designed three projects namely IR Remote sensor, Rain Dew Alarm and Energy Saver. Mr. Rahul Kumar of B.SC-II (Non Med.) was selected as best performer. On the third day of event students of B.Sc-III (Non Med.) designed a major project on energy conversion from solar to electrical by using inverter circuit and solar panel. Mr. Kulveer Singh was selected as a best performer in making these projects. During all three days of the workshop, students of were seen actively involved in understanding theory behind these projects and later using it in making projects. Valedictory function On last day of this workshop, Dr Baltej Singh, Head Department of Physics, briefly gave aim and objective of organising this workshop and introduced resource person of the workshop. Students in their feedback thanks Department for organising a unique innovative workshop for them and also urge Department for organising such workshops in future also. Dr. Kulbhushan Rana, DBT Coordinator highlighted the importance of such workshops. Professor Ashwani Sikri, Principal Incharge appreciated students for their active and enthusiastic involvement in the workshop and congrats Department of Physics for successful completion of the workshop. Dr. Manoj Kumar Gupta gave vote of thank. In valedictory function, Prof. Upasana, Dr. Manish Kumar, Dr Sanjay Kumar Singh, Dr. Amardeep Kaur, Dr. Vandana Kukreja, Prof. Poonam, Prof. Amandeep Kaur were present.

Department of Physics would like to thanks Department of Biotechnology, Govt. of India, for providing financial assistance in organizing this workshop. Department is also thankful to Principal Dr. Rama Sharma and Worthy Management committee of S.D. College Institutions for their able guidance, support and motivation.

Training Program Report

“Repair and Maintenance of Electrical Instruments”

Two days Training Program “Repair and Maintenance of Electrical Instruments” was organised for the students by the Department of Physics S.D. College Barnala under DBT Star College Scheme, from 15/02/2023 to 16/02/2023. In this program Mr. Kavish (M.Tech. Electronics) Lab Tech Solutions was invited as a Trainer. 53 students of B.Sc-I,II and III Non Medical participated in this training program. This Two Days Training Program was divided into four sessions. In the first session of each day, faulty instruments were opened and a brief description was given to the students regarding working of internal parts (such as transistors, diodes, capacitors, inductors and many more,) of each instrument. In second session, tricks to find minor faults in instruments and how to fix them were explained in detail. The college Principal, Dr. Rama Sharma appreciated the endeavours put by the Department of Physics by conducting this programme. She encouraged and motivated the students to get benefitted with such programmes that provide information about repairing and working of internal circuitry of instruments which will prove a boon for the students. Dr. Kulbhushan Rana (DBT co-ordinator), Prof. Ashwani Sikri, Prof. Rajani Gupta, Dr. Manoj Kumar Gupta, Dr. Sanjay Kumar Singh, Sh. Jagtar Singh (JLA) and Sh. Somnath (LA) were also present. Head of Department of Physics and Co-ordinator of this programme, Dr. Baltej Singh proposed a vote of thanks. The Department of Physics feels indebted and grateful to the worthy Management and college Principal whose guidance and support help to organised this programme successfully.

Seven Day and Night Camp at Village Pharwahi

NSS wing of S.D.College organized a seven day and night camp in its adopted village Pharwahi from 4th April 2023 to 10th April 2023. Under the theme “Swatch Bharat Abhiyaan” the volunteers in the camp took up the project of village cleanliness and after cleaning and clearing village wasteland planted a Mini Jungle by planting 100 trees of indigenous variety. Village Park was maintained and beautified with the assistance of villagers. Volunteers cleaned Dera Baba Thamman Das also and The newly constructed village library was also made functional by cleaning and setting up everything. There were 96 volunteers who stayed for 7 days and nights in the camp. Ms. Poonmdeep Kaur, Deputy Commissioner Barnala inaugurated the camp and advised volunteers to adopt the slogan “MY Garbage My Responsibility” practically. Mr. Sanjeev Joshi- the Yoga instructor, Shri Kaka Ram Verma and Mr. Navdeep came as resource persons for a session of meditation, First Aid training and for sports talk. Mr. Sandeep Kumar Malik, SSP Barnala presided over the valedictory function and inspired volunteers to go for dignity of manual labour and accolade them for their hard work in the camp. SDM Gagandeep Singh and SDM Himanshu Gupta along with Dr. Guntas visited the camp and motivated the volunteers to stay away from drugs. DR. Mamta Sharma NSS Coordinator Punjabi University Patiala advised volunteers to follow the motto of nss “Not Me But You”. Dr. Ajita , Sports Director Punjabi University Patiala implored volunteers to engage in sports activity to keep themselves fit and to be more productive an all phases of life. Volunteers followed the concept of communal living and community service by cooking food, by working along with village youth and by playing traditional games. The volunteers sensitized the villagers for environment conservation by enacting a Nukkad Natak in the village Govt. premises and made them aware about cleanliness of their surrounding by taking out a rally in the village.

Two days Online Workshop Organized by Computer Department

Computer Department organized a two days online workshop for teaching staff and students on advanced excel and MS word features that was hosted by :

Mr. Puneet Jindal (Trident Group) on 12th July 2020:

Mr. Puneet Jindal organized this workshop on advanced topics of Excel. This hands on Computer workshop illustrates how spreadsheets can be used creatively in teaching.

We may use excel daily or may be only casually but one thing for sure, we have probably wished we knew more about this dynamic program.

And our convener covered many advanced topics in this workshop and we learned how to create and format pivot tables, automate complex tasks with macros, learned few functions and formulas and much more. Near about 240 no. of participants attended this workshop.

Prof. Ashutosh Dharni (HOD Computer department) on 19th July 2020

This workshop is for users who want to improve their Microsoft word skills. In this workshop participants can expect to learn time saving techniques to help them better manipulation and format documentation. Along with this, this workshop had something for everyone, covering beginner, intermediate and advanced lessons of word.

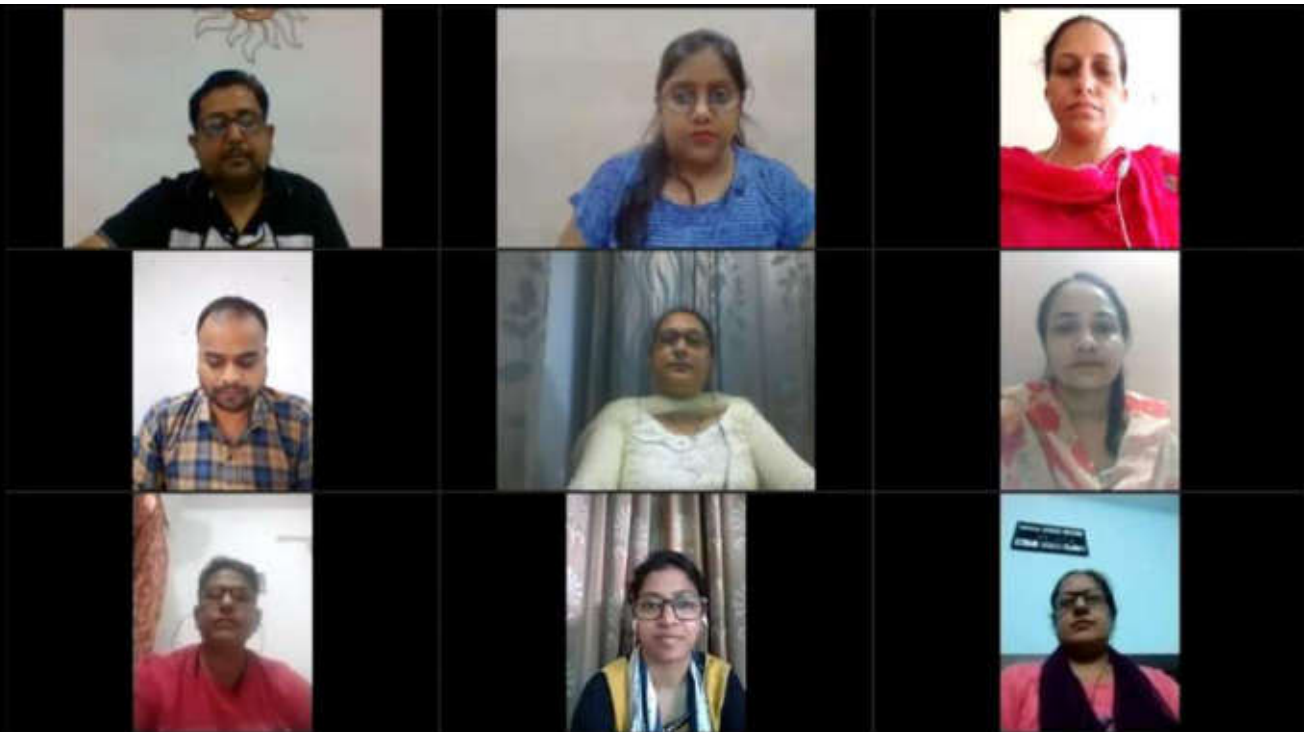

Our students and faculty members learned advanced techniques such as working with tables of contents, footnotes and endnotes, adding comments , tracking changes, comparing and combining documents, creating envelopes and tables , using mail merge, protecting documents and much more.

Whether we use word for work, study or leisure, we want to transform a blank page into professional looking document and this workshop taught us all these tricks very well. Near about 357 no. of participants attended this workshop.
