

## Policy for Green Campus Initiatives

- The college encourages the staff and students to frequently use public transport, bicycles etc. to limit the carbon emissions from vehicles
- To plant more and more trees to increase the green cover of the campus
- To organize tree plantation drives and generate awareness among students for the adoption of trees/plants
- Complete ban on single use plastic in the institution
- To generate awareness about segregation of biodegradable and non-biodegradable waste
- To minimize the use of paper
- To reduce the use of plastic in the canteen
- To promote the use of reusable cups, plates and cutlery instead of using disposables
- In college premises no one is allowed to throw or burn the solid waste produced in the classrooms, laboratories and offices
- To encourage the reuse of one sided printed paper for internal communication

Convenor, GIC

  
(Dr. Rajesh Gupta)  
Co-ordinator, IQAC

  
(Dr. Rama Sharma)  
Principal

## Policy for Management of Various Types of biodegradable and non-biodegradable waste

- To promote work on paperless concept by digital display of all the notices and information through mail, Google groups, What'sApp Groups, Google classrooms, etc. as much as possible
- The college is continuously committed to work towards plastic-free campus. In the College campus there is complete ban on single-use plastic in class rooms, labs, canteen & in the other parts of the institution's premises
- Regular segregation of biodegradable and non-biodegradable waste which is produced in campus
- College follows the rule of 4R's i.e Refuse, Reduce, Reuse, Recycle for solid waste management
- To manage the solid organic waste by vermin-composting and to use vermicompost in flower beds in place of chemical fertilizers
- To dispose off sewerage waste through properly covered drainage system
- To minimize and safe disposal off the liquid chemical waste from the labs
- To reduce E-waste and maximum use of E-methods as official mode of communication
- To properly manage E-waste produced in college campus by E-waste management company

  
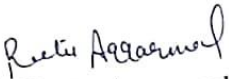

(Dr. Reetu Aggarwal)  
Convenor, CEC

  
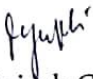

(Dr. Rajesh Gupta)  
Co-ordinator, IQAC

  
(Dr. Rama Sharma)  
Principal

## Policy for Water Conservation

- To establish rain water harvesting units in the campus to recharge ground water.
- To utilize discharged water of R.O system to fill the water tanks for flushing in washrooms/ for gardening purposes/floor mopping etc.
- Regular inspection of taps for draining and also repair them immediately

  
(Dr.Reetu Aggarwal)  
Convenor,CEC

  
(Dr.Rajesh Gupta)  
Co-ordinator,IQAC

  
(Dr Rama Sharma)  
Principal

## Policy for Alternate Sources of Energy and Energy Conservation

- To use LED/CFL bulbs and other energy-saving devices in the campus to save energy
- To encourage the use of advanced technology to minimize energy consumption
- To install more photovoltaic (PV) solar panels for the generation of alternate energy ,from time to time as per requirement
- To provide information and training opportunities on energy saving measures
- To ensure that all the institutional electronics/electrical appliances are turned off when not in use
- To use energy efficient & star labeled equipments for various purposes
- To use TFT computer monitors and Replacement of conventional ceiling fans by brushless direct current (BLDC) ceiling Fans for the elimination of energy wastage
- To make maximum use of natural day light for indoor illumination & use of natural ventilation
- To make adjustment in temperature settings of Air conditioners and Water coolers
- To make maximum use of renewable energy: Grid interactive Solar PV system at Roof tops
- To organize campaigns regarding energy conservation

  
(Dr. Sanjay Kumar Singh)  
Convenor, ESDC

  
(Dr. Rajesh Gupta)  
Co-ordinator, IQAC

  
(Dr. Rama Sharma)  
Principal

## Policy for Differenetly –abled Students

The College follows the following policy for differently -abled students:

- To support the principle that the differently-abled students have access to all services and facilities provided by the college
- To ensure that all such students get equal opportunity to participate and enjoy every aspect of college life
- Zero tolerance policy for any kind of harassment or discrimination towards these students
- To assist such students by guiding them about different Govt. Schemes and help them to avail the scholarships/benefits
- To assist the students in solving their day -to -day problems related to their studies through digital mode of communication
- To support these students by providing writer and extra time in exams ( if required) as per sss university norms
- To provide friendly environment to these students in campus
- To motivate them to participate in co-curricular activities
