Implementation of MIS / ERP

To Whom It May Concern

It gives me a great pleasure in mentioning about the Cloud base software's provided by MasterSoft ERP Solutions Pvt. Ltd Nagpur to **S D College , Barnala**

The software contains the following modules-

- 1) Admission & Administration
- 2) Student Admission and Support
- 3) Online Registration & Online Fees collection
- 4) Examination (Internal Exam)

Using these packages it got easier to handle all the activities of Student Life Cycle. Like, from student's Admission fees to TC, reports can be generated. Administration and Finance reports can also be created. In Payroll module Employee Life Cycle it creates payroll reports which also contains leave records. In addition with this the other benefit is that it can maintain any number of accounts of financial years.

This Certificate for the period of 12 Sept 2020 to 31 May 2025.

The extensive training of all the packages was given by the team of the MasterSoft ERP Solutions Pvt. Ltd. All the packages have been created successfully & co operation of user is appreciated.

Thanks & Regards

ABP
