*Some books, journals and internet resources related to **Teaching of Commerce** were consulted, studied and study material was compiled. Several books on education are reviewed to prepare this E-Content. We are especially thankful to our colleagues i.e. faculty members of S.D. College of Education, Barnala for providing their input in generating this E-Content. It is prepared according to B.Ed syllabus of Punjabi University, Patiala to cater B.Ed. students needs and requirements. Treat it as a reference material. The students can consult more sources and reference books for additional information related to the topic.*
