Some books, journals and internet resources related to Library Resources And Art In Education were consulted, studied and study material was compiled. Several books on education are reviewed to prepare this E-Content. We are especially thankful to our colleagues i.e. faculty members of S.D. College of Education, Barnala for providing their input in generating this E-Content. It is prepared according to B.Ed. syllabus of Punjabi University, Patiala to cater B.Ed. students needs and requirements. Treat it as a reference material. The students can consult more sources and reference books for additional information related to the topic.
